Synopsis

A Warm and humorous musical story about a little female reindeer sent to the North pole as a Christmas present for Santa, one Christmas eve a time ago, by the Girls and Boys in the home for almost forgotten children some where in the tropical Islands...

Sandy has been sent to Santa to help him with his warm weather routes, but she will have an awful lot of shiverin' and shakin' to do and an awful lot of wondering where she fits in, before anyone discovers the purpose and true value of this extraordinary Christmas present for Santa.

In the end, Sandy leads for Santa when it's time to go any where around the world that it doesn't snow, and becomes the perennial favorite of (and there's an awful lot of) places in the world where all the Christmas's are hot!

AUTHORS NOTE:

I would place The Chorus on stage and utilize parents, teachers or other interested adults in The Chorus as desired. The "magical transformation" from chorus singer to costumed character (when doubling) may add to the fun if it occurs in view of the audience. My staging suggestion is simply that you have fun! Merry Christmas!

OVERTURE (5 MIN.) SEGUES INTO...

SONG # 1 SANDY THE BLUENOSED REINDEER

(Sung By Chorus, as stage is being set, and lights slowly come up)

SONG #1

CHORUS: And now they've made a place for her...In Reindeer history too...

We've all heard of Rudolph, who's nose was shiny bright
And how he guided Santa's sleigh through the foggy night
But there's a little Reindeer who's nose is icy blue
And now they've made a place for her in Reindeer history too.

Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer didn't like the cold
Who believes in Reindeer who's little noses freeze
Shivering and shaking and knocking at the knees.

Then one night it happened down in Port of Spain
The other Reindeer got so hot they started to complain
"Let me help you Santa" her voice was sure and strong
And that's how Sandy found her way into a Christmas song

Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer didn't like the cold
Who believes in Reindeer who's little noses freeze
Shivering and shaking and knocking at the knees.

Now Sandy leads for Santa, when it's time to go
Any where around the world that it doesn't snow
The Boys and Girls all love her y'know. there's an awful lot
Of places in the world where all the Christmas's are hot

Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer didn't like the cold
Who'd believe a Reindeer who's nose was icy blue
But now they've made a place for her
In Reindeer history too...

Lights come up to reveal the NARRATOR
(*Male or Female, characteristics are optional*)

The NARRATOR walks to the front of the stage and speaks directly to the audience.

NARRATOR: Now you've asked me to tell you the story of Sandy the Bluenosed Reindeer and I will ...But I'm thinking.. you could also call this story "A Christmas Present for Santa" Cause she was sent to Santa one Christmas a time ago, by the Girls and Boys in the home for almost forgotten Children, Somewhere in the Tropical Islands.

SETTING: HOME FOR ALMOST FORGOTTEN CHILDREN,
SOME WHERE IN THE TROPICAL ISLANDS

(*It's Christmas Eve and a ragged but cheerful group of Girls and Boys are lovingly brushing and grooming a little Blue Nosed Reindeer, they decorate her with ribbons and bows as they sing.*)

SONG #2

A CHRISTMAS PRESENT FOR SANTA

Scott Fagan

GIRLS AND BOYS: (Alternating lines)

All Because we've heard it's better to give than to receive
Girls Because you never ask for much , except that we believe
All Because you're such a good soul, and Jolly Jolly too
Girls Because we think that you love us as much as we love you
Boys Because you're always giving and never never take
All Except sometimes a little milk some cookies or some cake
Girls Because she's so so special, because it's Christmas eve
Boys Because a million times because, Merry Christmas Santa Claus

Girls Up in the sky with his flying Reindeer
Boys Going loop de loop like he doesn't know fear
Girls Who is the man made of so much fun
Boys He's willing to share his joy with everyone

UNISON:

Santa it's you so we thought we would
Send you a present cause you've been so good
Kindly and gentle and dear old man,
We know you'll understand

COUNTERPOINT SECTION:

Boys Because we've heard it's better. to give than to receive

Girls Who do we don't see to say thank you to

Boys Because you never ask for much , except that we believe

Girls Who's like a dream in a dream that comes true

Boys Because you're such a good soul, and Jolly Jolly too

Girls Racing the sun to a million places

Boys Because we think that you love us as much as we love you

Girls In every one leaving smiling faces

Boys Because you're always giving and never never take

Girls Driving a sleigh that no jet is faster

Boys Except sometimes a little milk some cookies or some cake

Girls First to get through natural disaster

Boys Because she's so so special, because it's Christmas eve

Girls Braving the coldest and hottest weather

Boys Because a million times because, Merry Christmas Santa Claus

Girls Who tries to keep the whole thing together

UNISON:

We've sent a Reindeer who's nose is blue
Because we believe she'll be a help to you
Kindly and gentle and dear old man
We know you'll understand.

Because a Million times because...
Merry Christmas Santa Clause

NARRATOR: I can just see that old airmail Pelican flying along with his little bundle, wriggling and rolling over to her tummy, fooms sticking out front and back, kicking and learning to fly. Fooms up, fooms down, fooms up, fooms down, just like you do when you're learning to swing in the beginning. Fooms up, fooms down, fooms up, can you see her? She's doing fine... flying along nice and easy and the warm sun shining down on her such a rich chocolate brown. Shining down on those coconut trees and those sweet green Islands in the beautiful blue sea, just the color of Sandy's nose.

Like I said I don't know exactly where they were coming from, but they were going along in the warm for quite some while, and that little Reindeer was kicking fooms as strong and as smooth as could be maybe even giving that old Pelican Pilot a rest now and then. Fooms up, fooms down, fooms up.

CHORUS:

Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer didn't like the cold
Who believes in Reindeer who's little noses freeze,
Shivering and shaking and knocking at the knees

NARRATOR: Y'know, It's a big and a wide wide world that we live in, and after a time that little Reindeer curled up in her little bundle and took a nap. Just like you little critters do. Maybe she knew where she was going and dreamed a dream or maybe not. I don't know, but I do know she didn't know it was going to be cold where she was going, and I do know she didn't know it would be dark,

...and that's just what it was, when she woke up it was cold and dark and she was scared too! Now there's those Northern lights up there and they light up the sky kind of like a cosmic rainbow so it wasn't too dark but there's no electric heaters in the snow

CHORUS: (Comes up under NARRATOR)

Sandy is the Reindeer who's story's never told

NARRATOR: (Continues) and no radiators around the North Pole so it was cold

Cause who'd believe a Reindeer

NARRATOR: and she was shivering and shaking and knocking at the knees

Didn't like the cold

NARRATOR: and if her nose was Blue before,

Who believes in Reindeer

NARRATOR: boy, you shoulda' seen it now

Who's little noses freeze

NARRATOR: That's just how the other Reindeer first saw her

Shivering and shaking...

NARRATOR: Standing in the snow, shivering and shaking and knocking like a clock

..and knocking at the knees

NARRATOR: Her nose was the color of a blueberry popsicle.

DASHER AND DANCER, DONNER AND BLITZEN: Jumping Jet planes!!

NARRATOR: They said.

COMET AND CUPID AND PRANCER AND VIXEN: Look at this one, we don't believe it.

NARRATOR: So BLITZEN zoomed over to Santa's house and got him!

SANTA: Jumping jet planes!

NARRATOR: Said Santa.

MIZ CLAUS: Oh Santa!

NARRATOR: Said Miz CLAUS

SANTA: I don't remember asking for a Bluenosed Reindeer

NARRATOR: Said Santa

SANTA: I've never even heard of a Bluenosed Reindeer

DASHER AND DANCER, DONNER AND BLITZEN, COMET AND CUPID AND PRANCER AND VIXEN: We've never heard of a Bluenosed Reindeer either

NARRATOR: Said the other Reindeer

SANTA: Who ever heard of a Bluenosed Reindeer?

DASHER AND DANCER, DONNER AND BLITZEN, COMET AND CUPID AND PRANCER AND VIXEN: We all know the Red nosed one

SANTA: But a Blue nosed one?

DASHER AND DANCER, DONNER AND BLITZEN, COMET AND CUPID AND PRANCER AND VIXEN: No!

MIZ CLAUS: Never!

SANTA, MIZ CLAUS AND THE REINDEER: None!

SANDY: (In a trembly little voice) My name is SANDY, an.. I'm Cold!

NARRATOR: Said the mizzable little critter

SANTA: Swooping satellites! **NARRATOR:** Said Santa

SANTA: Who ever heard of a Reindeer that didn't like the cold? I didn't ask for a Reindeer that didn't like the cold...

MIZ CLAUS: Santa , she's cold **NARRATOR:** Said Miz Claus

MIZ CLAUS: And her little nose is Blue, she's shivering and shaking and knocking at the knees. What are we gonna' do?

SANTA: Let's take her in the house!

NARRATOR: Said Santa Claus

MIZ CLAUS: Poor little shivery shaking Bluenosed thing...

NARRATOR: Said Miz Claus.

CHORUS: (In background)
Sandy is the Reindeer who's story's never told

DASHER AND DASHER AND PRANCER AND VIXEN: Did you see that?

CHORUS: *Cause who'd believe a Reindeer*

NARRATOR: Said DASHER AND DASHER AND PRANCER AND VIXEN

CHORUS: *Didn't like the cold*

COMET AND CUPID AND DONNER AND BLITZEN: Santa didn't ask for a Bluenosed Reindeer that doesn't like the cold!

CHORUS: *Who believes in Reindeer who's little noses freeze*

COMET AND CUPID AND DONNER AND BLITZEN: We wanted some rocket packs!

NARRATOR: Said COMET AND CUPID AND DONNER AND BLITZEN

CHORUS: *Shivering and shaking*

DASHER AND DASHER AND PRANCER AND VIXEN: Say, where'd she come from anyway.

CHORUS: *and knocking at the knees.*

NARRATOR: *So Santa and his Reindeer got something that Christmas they hadn't asked for, maybe didn't really want, and sure didn't think they'd ever need. That's how it is sometimes, we don't get what we want but we do get what we need, and don't even know it. It happens to me,*

I'll bet it happens to you too... sometimes.

SONG #3

SOMETIMES SOMETHINGS (Sung by Narrator)

Sometimes something happens in a funny way
Something we think shouldn't happen anyway

Sometimes something happens that we didn't plan
Something sometimes that we barely understand

Sometimes it won't help something to try and guess
Somethings we know sometimes happen for the best.

Sometimes something hides the sun and clouds the sky
Something passing as we let sometime go by

Sometimes something disappoints us bringing pain
Rainbows wouldn't happen if it didn't rain

Sometimes something happens to us we forget
Something sometimes we don't know the good part yet.

End Act One

Act Two

NARRATOR: Now remember it was Christmas Eve, and Santa and Miz Claus and all of Santa's reindeer and helpers and all of Santa's friends, had Quite a bit to do...

SONG # 4

LEFTY RIGHTY BLACKIE AND WHITEY

(Sung by Santa and his Elves)

SANTA: Lefty Righty Blackie and Whitey

ELVES: Working together with Santa Clause

SANTA: Brownie Yellow Shorty and Longfellow

ELVES: Working together well just because

SANTA: They want to show it can be done

SANTA AND ELVES: Working together's lots of fun

ELVES: Lefty Righty Blackie and Whitey

SANTA: If little elves can do it so can we

ELVES: Brownie Yellow Shorty and Longfellow

SANTA AND ELVES: Everybody's one big family

SONG # 5

TOYS TOYS TOYS

(Sung by Santa's Elves)

Toys toys toys toys - toys toys toys toys
Every one loves toys toys toys

Way up here in Santa's shop, when we start we never stop
Cause every toy's a thing of joy and every body wants a toy
Arche wants an aeroplane, Billy wants a "lectric train
Carrie wants more Star Wars stuff,
Children just can't get enough
Toys toys toys toys, Every one loves toys toys toys

Drucie wants a doll that walks, Ellie wants a doll that talks
Frankie wants a baseball bat, Sister Gale a football hat
Holly wants a new doll house, Izzy wants a rubber mouse
Jamesy wants a teddy bear, Katie wants a game that's fair!

SONG #5 Continued

Imagine a world without toys,
An awf-'ly boring place, not much fun for girls and boys
But don't be sad cause it's ok
There's something we could do about it
Everybody sing and shout it! Toys..

LITTLEST ELF: (Just learning his manners yells to the others)
Hey! Shouting's not polite, dont'cha know that?

SANTA: Hmm... Ok then every body sing!
Toys toys toys toys, all we want is toys toys toys.

Way up here in Santa's shop, when we start we never stop
Cause every toy's a thing of joy and every body wants a toy

Lele wants a two wheel trike, Maggie wants a three wheel bike
Nattie wants and ice cream truck, Orvil wants an Easter duck
Poonah wants a boxing glove Queenie wants a fish to love
Roscoe wants a jumping rope, Sarah wants a microscope
Tito wants a frog that sings, Uta wants a magic ring
Virgil wants an oogie board, Wanda wants a pirate sword
Xosa wants a kite that hums, Yone wants a kettle drum
Ziggy wants a cash machine, a racehorse and a Limousine

SANTA: (Looking perplexed) A cash machine? A racehorse? A Limousine?

EIVES: Toys toys toys toys - toys toys toys toys
Every one loves toys toys toys!

NARRATOR: Now once Santa had wrapped his wonderful warm arms around her, Sandy wouldn't let him put her down for anything. So Santa had to check all his lists, get his Reindeer reined, pack up his sleigh, thank all his helpers, give Miz Clause her see you later kiss and take off.. With a baby bluenosed Reindeer in his arms.

NARRATOR: Then he had to drive his sleigh, carry his bag, climb down chimneys, fill stockings, sort and set out presents, eat his cookies, sip his cocoa and get back up chimneys with a baby bluenosed Reindeer in his arms. If you saw Santa that Christmas you know that one Christmas a time ago, he had a baby bluenosed Reindeer in his arm when he came to your house.

CHORUS: (In background)
*Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer... didn't like the cold*

NARRATOR: As time passed. nobody knew what in the world Sandy was doing up at Santa's workshop. She wanted to be wanted but what good could she really do? Shiverin' and shakin' and knocking little Elves off of shelves and all, wherd'd she fit in? It looked like every thing she did was wrong.

SONG # 6
ISLAND IN THE RAINBOWS
(Sung by Sandy and Santa)

SANDY:
There's a place that I know, that I sure wish I could go
Far away, it's an Island in the Rainbows
Somewhere far across the sea, I can hear it calling me
But I can't go it's an Island in the Rainbow

Rainbow days... far away,
Green and Gold and Purple too, Rosy Red, Yellow and Blue

SANTA:
How I wish that I knew it were true

SANDY AND SANTA:
Maybe someday you and me, We could fly across the sea
See. if there could be, An Island in the Rainbows

SANDY:
Rainbow days... far away, Green and Gold and Purple too,
Rosy Red, Yellow and Blue, I wish I could show it to you

SANDY AND SANTA:
Maybe someday you and me, We could fly across the sea
See, if there could be, An Island in the Rainbows...

NARRATOR: She sure was feeling bad , but Santa and his crew
knew exactly what to do!

SONG #7

SING A HAPPY SONG

(Santa, Miz Claus all the Reindeer and Elves and joined by Sandy at the end)

I've got a secret that I'll share with you
Because it's something that we all can do
When I've got troubles and my world is blue
I just, sing a happy song.

Sing a happy song, then things won't seem so wrong,
Sing a happy song.
Sing a happy song, the world will sing along,
Sing a happy song.

Great grand father's bedroom drapes were drawn,
We thought for sure the dear old boy was gone,
But just as Grandma sighed "Poor Grandpa's died
He cried... Sing a happy song!

SANTA: All together now!

Sing a happy song, one I can sing along
Sing a happy song
Sing a happy song, then things won't seem so wrong
Sing a happy song

SANTA: And a one and a two and a three. Everybody
Sing a happy song, then things won't seem so wrong,
Sing a happy song.
Sing a happy song, the world will sing along
Sing a happy song.

NARRATOR: By the next year Sandy'd gotten too big to carry all the time just like you have, but she still went everywhere that Santa did, so naturally she jumped shiverin' and shakin' right into Santa's sleigh on Christmas Eve and off they went, and the further south they went the less and less she shivered, and the more warm it became the less and less she shook, and by the time they got to Port of Spain, Trinidad, in the West Indies , it was hot!

DASHER, DANCER PRANCER AND VIXEN: SHEEEESHHH!

NARRATOR: Said DASHER, DANCER PRANCER AND VIXEN.

SONG #8 REPRISE (repeat)

THEME: SANDY THE BLUE NOSED REINDEER

We've all heard of Rudolph, who's nose was shiny bright
And how he guided Santa's sleigh through the foggy night
But there's a little Reindeer who's nose is icy blue
And now they've made a place for her in Reindeer history too.

Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer didn't like the cold
Who believes in Reindeer who's little noses freeze
Shivering and shaking and knocking at the knees.

Then one night it happened down in Port of Spain
The other Reindeer got so hot they started to complain
"Let me help you Santa" her voice was sure and strong
And that's how Sandy found her way into a Christmas song

Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer didn't like the cold
Who believes in Reindeer who's little noses freeze
Shivering and shaking and knocking at the knees.

Now Sandy leads for Santa, when it's time to go
Any where around the world that it doesn't snow
The Boys and Girls all love her y'know. there's an awful lot
Of places in the world where all the Christmas's are hot

Sandy is the Reindeer who's story's never told
Cause who'd believe a Reindeer didn't like the cold
Who'd believe a Reindeer who's nose was icy blue
But now they've made a place for her in Reindeer history too...
